Docket No. 397

Pursuant to Order No. 1665, served March 29, 1977, Application No. 933 of Annette H. Milling trading as Milling Tours (Milling) was granted in part and denied in part. Pursuant to Order No. 1702, served May 26, 1977, Milling's application for reconsideration was granted in part and denied in part, and a further public hearing scheduled for Monday, June 20, 1977. By motion (letter) filed June 17, 1977, Milling sought an indefinite postponement of said hearing. By Order No. 1711, served June 17, 1977, the Commission granted Milling's motion and postponed the above-mentioned hearing until further order.

By Application No. 1025, filed November 11, 1977, as amended, Milling seeks a certificate of public convenience and necessity pursuant to Title II, Article XII, Section 4(b) of the Compact to transport passengers, over irregular routes, in special sightseeing operations, from Harmony Place Trailer Park, 8018 Richmond Highway, Alexandria, Va.; Nightingale Trailer Court, 205 Dart Drive, Alexandria, Va.; the Holiday Inn at junction Interstate Highway 395 & Glebe Road, Arlington, Va.; the Virginia Motel, 700 North Washington Street, Alexandria, Va.; and those motels and motor inns located on that part of U. Milling proposes to provide service at per capita rates in two owned vans and in motor coaches to be leased from some, as yet undetermined, source.

The Compact, Title II, Article XII, Section 4(b) provides that an application for a certificate of public convenience and necessity may be granted "after hearing held upon reasonable notice". Accordingly, a public hearing will be scheduled, and Milling shall be assessed an amount preliminarily estimated to cover the expenses which Title II, Article XII, Section 19 of the Compact requires an applicant to bear. In addition, applicant shall be directed to file with the Commission a statement of projected revenue and revenue deductions for a one-year period.
